Hiring Manager[Company Name][Company Address]

Subject: Application for Web Developer

Dear [Hiring Manager's Name],

I am writing to express my interest in the Web Developer position at [Company Name]. With three years of experience in web development, I have honed my skills in designing and developing dynamic, responsive, and user-friendly websites. My expertise includes React.js, Next.js for frontend, and Node.js with MongoDB for backend development.

In my previous role, I have led teams and supported projects by delivering high-quality web applications with a strong focus on collaboration and innovation. My daily responsibilities include developing front-end interfaces using React.js and Next.js, while also providing back-end support with Node.js and MongoDB.

I am driven and detail-oriented, with a passion for creating engaging digital experiences. I stay current with industry trends and best practices to bring innovative and efficient solutions to every project I work on, enhancing both user satisfaction and business success.

Please find my CV attached for more details on my experience and projects. I look forward to the opportunity to discuss how I can contribute to [Company Name].

Thank you for your time and consideration.

Best regards,Chham DararaksmeY
